Laugh A Minute

The man from the nursery came to trim the nice little old lady's tree in her front yard. It had become a problem and branches spilled out over the sidewalk making it difficult for people to walk past her house.

"You're a new man, aren't you?" asked the little old lady.

"Yes, m'am," replied the man, "this is the first tree I've ever trimmed."

Then he set about hacking away at the branches, until the tree began to look a little lopsided. He tried to even it up, but the more he cut, the worse the tree looked. Finally, there were just a few skinny branches left on the tree. He rang the woman's doorbell.

"Lady," he said, "how would you like to have a nice flagpole?"

A reporter was sent by the newspaper to cover a political meeting, and when he returned the editor of the paper said, "Well, what did the speaker say?"

"Nothing," said the reporter.

"Then in that case hold your story to one column."

A husband who was an ardent bowler played in a league every Wednesday night. One Wednesday, however, he did not come home. Three years passed before he finally showed up again and his ever loving wife was overjoyed to see him.

Wife: "I must call all your friends!"

Husband: "What for?"

Wife: "I'm going to have a homecoming party for you tonight!"

Husband: "What? On my bowling night?"

"Who was the first man?" asked the teacher

"George Washington," a little boy shouted.

The teacher shook her head, and the boy continued, "Well, if you're going to count foreigners, I suppose it was Adam!"

At a dinner party a shy young man had been trying to think of something nice to say to his hostess. At last he saw his chance when she turned to him and remarked, "What a small appetite you have tonight, Mr. Smith."

"To sit next to you," he replied, "would cause any man to lose his appetite."

A Navy wife, bidding her husband goodbye as he was embarking for duty in the Pacific, was angry when she saw a black Scotty trot aboard.

"Why should dogs be allowed to go along when the men's wives are forbidden?" she demanded indignantly of an officer.

"Madam," he replied, "all the men can pet one dog and nobody gets mad."

* * *

Full of enthusiasm, she had gone in for politics, and was out of the house most of the day. The other night she returned at ten o'clock and sank into an armchair.

"Everything's grand," she said. "We're going to sweep the country!"

Her husband looked around wearily and said: "Why not start with the kitchen floor?"

DAFFYNITION—A DIPLOMAT—A man who can convince his wife she'd look fat in a mink coat.

A nine year old attended a 4-H Club Fair and was amazed at the farm products boys and girls had raised. When he saw a 70-lb. pumpkin being placed on exhibit, he could hardly believe his eyes.

"I'll get a prize for that!" exclaimed the farm boy.

Then a large eggplant was placed down beside the pumpkin and the nine year old's eyes grew even larger.

"I dunno," he gasped, "you'll have a hard time beating that big plum!"

IS YOUR HAIR GROWING OR GOING?

Stand in front of a mirror. Take a long hard look at the top of your head. Do you have as much hair as one year ago? Do you see any new hair growth?

If your answer is no, it is important that you take steps today to save the hair you now have. If you act now, you may be able to reverse the trend on your head. You may be able to grow new hair faster than it is falling out. Doesn't that make sense to you? Wouldn't you like to look in the mirror a year from now and see more hair on your head than you see now? Why lose your hair if you don't have to?

CAN YOU SAVE YOUR HAIR?

Every year thousands of men and women go bald — needlessly — because of a scalp infection. This scalp infection is called seborrhea. Doctors say that three germ organisms cause seborrhea: staphyloccocus albus, pityro sporum ovale, and microbacillus. These germs attack the sebacious glands and the hair follicles themselves. If not checked, permament damage is done. The hair follicles atrophy, lose their ability to produce new hairs. The result: premature baldness.

You can easily tell if you are a victim of seborrhea. If you have itchy scalp, dandruff, hair loss, very dry or oily scalp, the chances are that you have seborrhea. Neglect these symptoms and you invite baldness.

Treat your scalp to Ward's Formula. This amazing scalp medicine quickly controls seborrhea and stops the hair loss it causes.

Here's the Proof!

I must admit I didn't have much faith in it, but I hadn't been using Ward's one week before I could see it was helping me. I could feel my hair getting thicker.
E. K., Cleveland, Ohio

After using Ward's for only 12 days my hair has stopped falling out.
R. W. C. Cicero, Ill.

Out of all the Hair Experts I went to, I've gotten the *most* help from one bottle of Ward's Formula.
C. La M., Philadelphia, Pa.

I am tickled to death with the results. In just two weeks time on dandruff! *W. T. W. Portola, Cal.*

I feel encouraged to say that the infuriating scalp itch which has bothered me for 5 years is now gone.
J. M. K. Columbus, Ohio

Male pattern baldness is the cause of the great majority of cases of baldness and excessive hair loss, for which neither the Ward treatment nor any other treatment is effective.

DOUBLE MONEY BACK GUARANTEE

In seconds, Ward's Formula kills the three parasitic germ organisms retarding normal hair growth. This swift germicidal action has been proven in scientific tests by a world-famous testing laboratory (copy of laboratory report sent on request). Ward's removes infectious dandruff, stops scalp itch, brings hair-nourishing blood to the scalp, tends to normalize very dry or oily scalp. In brief Ward's Formula corrects the ugly symptoms of seborrhea, stops the hair loss it causes. Ward's Formula has been tried by more than 550,000 men and women on our famous Double-Your-Money-Back Guarantee. Only 1.9% of these men and women were not helped by Ward's and asked for their double refund. This is truly an amazing performance.

Why not join the men and women who have successfully ended their troubles? Treat your scalp with Ward's Formula. *Try it at our risk.* In only 10 days you must see and feel the marked improvement in your scalp and hair. Your dandruff must be gone. Your scalp itch must stop. Your hair must look thicker, more attractive, and alive. Your excessive hair loss must stop. You must be completely satisfied in only 10 days with the improved condition of your scalp and hair, or simply return the unused portion for Double Your Money Back. So why delay? Delay may cost your hair.
